

Congratulations on purchasing your new machine. As you know, Digger King offers a 24 month manufacturer's warranty on your machine; here are the terms and conditions you are required to comply with in order to maintain your warranty.

1. Your machine needs to be regularly serviced as per the Maintenance and Service Record Manual that has been sent to you. If you do not have a copy, please contact us and we will send you an electronic copy immediately.
Please familiarise yourself with the service manual and operator's manual so you are fully aware of your service and safety obligations as the purchaser.
We also have helpful operation videos online at www.diggerking.com.au/yourdigger
2. A copy of your completed service checklist must be uploaded to Basecamp as the service is completed, along with a photo of your hour meter, and any receipts for oil, hydraulic fluid etc to confirm the machine has been properly serviced at the correct time.
Please note failure to do so will result in termination of your warranty.
3. Should a warranty issue arise, you will lodge a support ticket at www.aftersalescare.com.au/support
To speed up the process, we ask you upload the following when you complete the form and submit the ticket:
 - a. Photo of your VIN plate
 - b. Photos of all 4 sides of the machine
 - c. Photos of the issue
 - d. Photo of your hour meter (to confirm your services are up to date according to your previously uploaded service checklists)

Your warranty request will be attended to as soon as possible; our staff are located in NSW and work Monday – Friday 8-4pm.

It is your responsibility to cease using the equipment as soon as an issue arises. Continued use may result in personal injury and further damage to the equipment. Noncompliance may result in damage not covered by warranty.

IMPORTANT: No warranty claims will be paid or reimbursed without prior written approval.

Note: Parts that fall under 'wear and tear' (such as lubricants, oil, filters, bucket teeth etc) and are not covered by warranty can also be purchased via request at www.aftersalescare.com.au/support
Further examples of wear and tear items and full warranty terms and inclusions can be found at www.diggerking.com.au/warranty
